

LAOCRC Program Recommendation Flow Chart (Draft: Not parka but maybe sweater level)

Program Conception

College completes LMI request with COE (online form).

Weekly, typically Mondays, email goes out to Voting Members (VM) with program announcements.

VM reviews and shares with their appropriate college faculty/staff/admin.

COE conducts LMI analysis.

Local College Approval (Curric. Com./CIO/BOT)

VMs vote to recommend the program, not recommend the program, or require additional discussion.

VM submits application for next voting member business meeting.

College completes LAOCRC program recommendation application.

Communication occurs between colleges. College begins developing Curriculum/Program.

COE sends LMI report to Voting Member and/or program contact/leads

*Two week turnaround if targeted occupation(s) align clearly with existing SOC codes.
Six week turnaround if emerging occupation(s) and/or non traditional LMI is required for analysis.
