Type of Program (Check all that apply):

A.S. Degree

A.A. Degree

Certificate of Achievement:

18+ semester (or 27+ quarter) units

12-18 semester (or 18-27 quarter) units

Reason for Approval Request: (Check One)

New Program

Substantial Change

Locally Approved

Program Information

Recommended Taxonomy of Program (TOP) Code 010910

Units for Major-Degree n/a

Total Units for Degree n/a

Required Units-Certificate 18

Written Form

1. Insert the description of the program as it will appear in the catalog.

The courses in Landscape Design II are designed to enable students to prepare for exciting careers in the essential and diverse horticulture profession. Careers in nursery management, retail garden centers, landscape design, installation and maintenance, arboretum and botanic gardens, arboriculture, interior landscaping, education, and research are just some of the options. This certificate is part of Mt. SAC's comprehensive agricultural sciences program. The program is unique in that most of the courses provide hands-on experience and are designed to give the student a combination of practical skills and technical knowledge.

2. Provide a brief rationale for the program.

Mt. SAC's horticulture advisory committee made the recommendation to modify nine certificates and create three new certificates in order to provide students with the opportunity to acquire a greater variety of specific skill sets, increasing the diversity of employment opportunities. The Landscape Design level II Certificate requires completion of Landscape Design Level I certificate course work (18 units) for a total of 36 units.

3. List all courses required for program completion, including core requirements, restricted electives and prerequisites. (Push Enter after each entry to begin a new line)

Courses	Course No.	Course Title	Units
Equipment Operations	AGOR 51	Equipment Operations	3.00
Irrigation Design and Installation	AGOR 62	Irrigation Design and Installation	3.00
Advanced Landscape Design	AGOR 14	Advanced Landscape Design	3.00
Integrated Pest Management	AGOR 24	Integrated Pest Management	3.00
Landscape Hardscape Applications	AGOR 72	Landscape Hardscape Applications	3.00
Landscape Contract Law	AGOR 73	Landscape Contract Law	3.00

4. Summarize the Labor Market Information and employment outlook (including citation of the source of the data) for students exiting the program.

According to the Bureau of Labor Statistics (May of 2012), there are two possible job categories into which earners of this certificate would qualify for. Below is a table detailing the labor statistics for each category. While this certificate would not qualify students to be Landscape Architects, it would certainly prepare them to enter this field of study at the University Level, as well as prepare them to be landscape designers for contractors, nurseries and as sole proprietors. Unfortunately this job category does not exist with BLS or EDD.

Job Category	# of California Jobs	Mean Hourly Wage	Mean Annual Wage
Landscape Supervisor	9,840	\$23.52	\$48,930
Landscape Architects	2,320	\$39.99	\$83.190

Below you will find labor market data for Los Angeles, Orange County and the Inland Empire.

Description	2013 Jobs	2016 Jobs	Change	% Change	Openings	Annual Openings	Median Hourly Earnings
Landscape Architects	1,032	1,053	21	2%	119	40	\$30.11
Landscaping and Groundskeeping	75,952	79,340	3,388	4%	9,472	3,157	\$11.15
Pesticide Handlers	1,041	1,110	69	7%	156	52	\$14.93
Tree Trimmers and Pruners	4,020	4,241	221	5%	545	182	\$14.39
Total	82,044	85,745	3,701	5%	10,292	3,431	\$11.60
