

Work Experience Research Activity

Consider the following as part of your preparation for the upcoming work experience.

Student name:
Host company:
Company's web address:
Company's physical address:
Company's mission statement:
What is the company's primary business?
What departments exist within the company?
What companies do you think are in competition with the host company?
After researching the company, what are some questions that you will ask your supervisor?
Based on your research, what do you think you will like most about the work experience?
Based on your research, what is your biggest concern about the work experience?
If you could come away from the work experience having learned one thing, what would that be?
Anything else you learned while doing your research that will help you get more out of the experience?
